

NELSON PUBLIC LIBRARY VOLUNTEER APPLICATION

First and Last name: _____

Address: _____

Phone #: _____ email: _____

Reference Name: _____ Reference Phone #: _____

Are you applying as a Youth (15-18) or Adult Volunteer (19+)

I would like to volunteer at the library because:

Volunteer Opportunities: Please check off the ones you are interested in.

Library tasks: Folding brochures, stamping date due bookmarks, book washing, shelf reading, prepping books to be discarded from collection (other related tasks as needed).

Friends of the Library: The Friends of the Library meet once a month and organize our book sales and other fundraising initiatives for the library. It's a great way to meet new people and support the library!

Reading Buddies (Youth Volunteers only): Help school aged children practice reading skills once per week.

Seniors Outreach Helper: Once per month (for 4 hours) assist the outreach librarian with visits to Mountain Lake and Lakeview Village to set up a mini library and deliver books to the residents.

Presentations/Workshops: Do you have a special interest, knowledge, skills or passion for something you would like to share with the community (e.g. crafts, languages, technology, travel, DIY....)? *Tell us more below or on other side of page.*

Can you commit to 1-2 hours/week at a specific date and time?
